

For the Immediate Return of All of the Abductees!

Abductions of Japanese citizens by North Korea

<https://www.rachi.go.jp/en/>

The abductees* are still denied all freedoms, having been long detained in North Korea, and to this day await rescue.

*The Government of Japan has identified 17 Japanese citizens as victims of abduction by North Korea. Only five of the abductees returned from North Korea to Japan. Moreover, there are many other missing people for whom the possibility of abduction by North Korea cannot be ruled out.
